EvoWorld.io is the multiplayer survival game previously known as FlyOrD

ie.io. You start as a small fly and level up as you eat more food. As you e

volve, other players become part of your diet. Each level comes with a new special

ability and more things to eat. The choice is simple, you Fly or Die!

How to Play EvoWorld.io

Eat items and animals outlined in green. Avoid animals with a red

outline. They will eat you! You'll be fighting for survival against hundreds

of other players, so make sure you keep moving and keep eating. Keep an eye on

your water level, as you'll need plenty of water to survive.

Special Abilities
