<p>Minecraft Classic is an online version of the famous open-world sandbox building game. It is a remake of the original 🤑 Minecraft and was released for its 10th anniversary by the developer Mojang. In the game, players can build in creative 🤑 mode using 32 available blocks. The game has a multiplayer feature so you can play with up to 8 friends.</p>

<p>History</p>

<p>Minecraft 🤑 was first released to the public on 17 May 2009. Today it is published in the exact state of its 🤑 initial release. This

means that there are only 32 blocks that you can build with, and all the original

bugs 🤑 are in there! So if you are used to the latest version, it can

be quite a shock to see 🤑 how the game has evolved. To quote Tom Stone

from Mojang "With just 32 blocks to build with, all the 🤑 original

bugs, and an (inter)face only a mother could love, Minecraft 2009 is even more

glorious than we remembered!"</p>
