It gets some things right

- for example, people DO usually have anuses, and pooping in open wounds is generally viewed as bad for you - but it also makes some critical errors, like performing

mouth-to-butt surgery without the use of ventilation or monitoring equipment.

The Human Centipede films are known for their depraved and disgusting content, but they have also sparked a fascination with body horror.

The trilogy was actually inspired by horrific events from Nazi Germany, particularly the experiments conducted by Dr. Josef Mengele.
