Football corners predictions is one of the fairly new tips offered by tipsters and by us. Some say it's luck , predicting corners in a football game, but we at AFootballReport find in corners very profitable markets especially in live events , when odds go very high as the game evolves. So how do we predict corners? Of course as any other football , prediction and corners are related to a number of pre-match and team factors. First of all we should see the , type of game we're looking for or the type of game we want to predict. Is it a game with , a strong favorite or just two equally strengthened teams that play. If it's a game with a strong favorite probably , we should pay attention to the corners race predictions as strong favorites always keep the ball in possession more than , the other teams and create more chances as they push forward almost during the whole game. Keep in mind in , live events that if the score is in favor of the favorite team then this team would not be so , motivated to create chances and would probably win less corners than in a draw event or from behind.

Second thing we , should use when making our corners tips is to see the teams lineups and tactic for the upcoming game. Target , teams with more offensive tactics and teams that use wingers heavily in their attacks. For example, some good wingers for , the home team could easily produce more than 10-20 crosses in the penalty area which very often defenders clear in , corners.

Corners in the late stage of the game are more likely to happen than in the early minutes. Usually teams , are very careful in the opening minutes of a football game and they try to enter the game more passively , than aggressively. As the game continues depending on whether a team is losing or winning the
