<p>Trust us when we say that it is not every day that we get to bring you

new and 🍌 interesting first person shooter games online, especially gam

es that are like this one that you are going to play, a 🍌 game that we

have found to be quite unique, and one that we are positive you are going to lov

e 🍌 playing plenty, because it was our own amazing time with it that ma

de us convinced that we had to share 🍌 it with everyone. From this foll

owing part of the article you learn everything you need to know about the game,

🍌 so why not read to the end before you start? You are going to move ar

ound using the w, a, 🍌 s, d keys, while with the mouse you look around

as well as shoot. In this game, only when you 🍌 are moving the time is

flowing, so when you stop, it also stops. Use this to your advantage in order &#

127820; to avoid enemy shots, and if you do it right, you then get to have a st

ep ahead of them 🍌 and shoot them down faster and take them out, advanc

ing through the stage. Get through one stage after the other, 🍌 until y

ou completely win the game. Good luck, and if you are up for more fun, sticking

around here and 🍌 having even more fun with other great games that are

coming is certainly what you have to do!</p>

<p></p>

<p>How to play?</p>

<p></p>

<p>Use 🍌 the mouse and the w, a, s, d keys.</p>
