dependientes y si son excluyentes o no. La regla de la adición para la probabilidad de eventos A y B se lee como la probabilidad de A, P(A), más la probabilidad de B, P(B), menos la probabilidad de A y B, P(A ∩ B).

de multiplicación para la probabilidad de eventos A y B se lee como la probabilidad de A, P(A), multiplicada por la probabilidad de B, P(B).

A phone number is required by Blizzard for account security, as notifications will be delivered after suspicious login attempts, password changes, and security features change. It also lets players unlock their accounts without a password and recover lost account details.

Call of Duty: Modern Warfare 2's Phone Number Requirement Will ...
