it. Its fate is in your hands. It's up to you to protect the peace of Storm Land. Here at Friv online, you have only one tower to defend this land. You have to do everything that you need to do to protect it. So, the tower is placed in the center of the battlefield and there is a circle around the tower. Monsters approach your tower from all directions and once they enter the circle, your tower will auto-attack the nearest.

How Scary Is Parasite? Parasite is not a horror movie, so it's not scary in the sense that there are supernatural presences, a bunch of jump scares, or some overriding threat that everyone is trying to run away from (at least not in a literal sense).

That said, things do turn creepy around midway through the movie.
