One day, a local restaurant in S#227;o Paulo, "Xique-Xique Bahian Cuisine," approached us seeking assistance to increase its sales and market presence. The restaurant had been in business for five years and was well-known in its community for its authentic Bahian dishes. However, the owners realized that they struggled to keep up with the new competitors entering the market.

To help the restaurant, we first needed to understand their challenges. We discovered that the restaurant struggled with digital presence, and online testimonials were conflicting. We recommended that the restaurant take advantage of BEST-XP's network of partnerships to create an effective marketing strategy. This strategy included new promotions and special events tailored to attract new and existing audiences.

We then helped design and implement the marketing plan. Firstly, we revamped their social media presence, published positive customer reviews, and utilized compelling visuals and content to elicit engagement and excitement. Secondly, we partnered with local influencers and media personalities to promote Xique-Xique Bahian Cuisine. This approach garnered more impressive impressions and sales leads. Finally, we designed loyalty programs and special offers to drive positive word-of-mouth and recurring business.

The results were outstanding. Six months following the revitalization strategy implemented by BEST-XP, the restaurant realized a 35% increase in sales, a 200% boost in online customer reviews, and an increase in Facebook and Instagram followers. The return on investment was a significant one, giving Xique-Xique Bahian Cuisine the foundation for continuous growth in the years to come.

In order to support and help more companies acquire similar successes, there are key takeaways and insights from Xique-Xique's experience that
