<p&gt;My dad is getting older and I bought him an a tablet years ago hoping t
hat he would it to 🏀 download apps to challenge his mind but he doesn
want to use it for hardly anything but playing this outdated 🏀 and sim
plistic game.</p&gt;
<p&gt;What makes it worse is that he must be horrible at playing it because h
e usually loses all 🏀 or most of his chips.</p&gt;
<p&gt;He usually can t remember how many chips he has from day to day so I II
try 🏀 to win him some without him knowing. Sometimes I m not able to s
o then I have to buy chips to 🏀 help him out.</p&gt;
<p&qt;I can t buy chips on his account because he s on a fixed income and he
would go crazy 🏀 if there was a charge for purchasing chips. I
ng and at least for me, I ve notice purchasing chips will 🏀 cause a lot
more losses since they know the people who purchase chips will purchase more wh
en they have lost 🏀 all of there chips versus the people who play and n
ever purchase chips.</p&gt;
<p&gt;Well I wasn t doing any harm to anyone &#127936; but purchasing chips
for my elderly dad but now they ve decided to
                                              crack down
                                                           on a major threat to
society 🏀 so now I can t donate money to them.</p&gt;
