Violence Scariness. There's little ac

tual combat in the game, but no shortage of disturbing and graphic i

magery. The opening cinematic depicts the chase and murder of a you

ng girl. Some spirits Marianne encounters are dismembered or feature other graph

ic wounds. The Medium Game Review | Common Sense Media

game-reviews : the-medium

It creates an unpredictabil

ity to The Medium that sees players constantly on edge from the fear of the unkn

own, rather than expecting a jump scare when it seems fitting to have one.

The Medium only has one jump scare and, when it's used,

it absolutely works because you never expected it in the first place.
