Story

The game takes place during World War II and its story is divided into

three separate campaigns Soviet, British, and American each focus ing on different historical events. Soviets start their campaign during the Batt

le of Moscow and have to defend the city, while the British start in

North Africa and are tasked with a sneak attack on Afrika Korps troop

s. American campaign, on the other hand, begins during the famous D-Day and take

s the player through other important events, including the ones revol

ving around the Hill 400.

Gameplay

Call of Duty 2 game is a first-person shooter, meaning you will

spend most of your time running from point to point in order to complete you

r objectives, killing enemy soldiers in the process. It s important t

o note that you are not the chosen one, and you will easily die if you

are not aware if you want to succeed, you have to cooperate with other soldi

ers, who can draw enemy fire or lay down covers for you.

The game features a variety of historically-accurate weapons from the W

WII era. Defeated enemies drop their weapons you can pick them up a

nd use, but you can only wield two firearms at any given time. Combin

ed with limited ammo, you are encouraged to make use of everything you can find.

Defeating groups of enemies can be done with frag grenades, while sm

oke grenades provide tactical cover.
