<p></p><p>if there is an option to give negative stars, I woul
d give it.</p>
<p>They withheld all my winnings from my account /, and only provided the
deposit I made. This is due to the multiple accounts rule that they are saying
but /, will only tell you if you win from their site and not upon registration
or when you lose all your /, money.</p>
<p>Their customer service is useless especially the security team. They wi
ll ask you all these stupid requirements and later on /, inform you of a differ
ent violation just in case you cannot provide the requirements.</p>
<p>I also had issues with withdrawal which /, took a few days before they
were able to resolve. If I did not catch it from the transaction history, /, I
would have not noticed it. You need to do your own investigation as their Custo
mer Service doesn t really think /, but just sends replies that would be easy a
nd beneficial for them.</p>
<p>I would suggest refraining from using their website as /, I am sure th
at they will find a way to block you from their site if you win!!</p>
