Completing the Mission is the final installment in the Henry Stickmin s

eries . You achieve completion by making the right decisions when pro

mpted and getting to the end. Expect plenty of laughs!

Completing the Mission Story

Completing the Mission sets itself apart from the other Henr

y Stickmin games by offering multiple possible stories based on the endings you

had from the previous games, Infiltrating the Airship, and Fleeing th

e Complex.

With an array of potential stories, the only consistent theme is the To

ppat clan making one final move. As Henry, you have options to side w

ith various parties, shifting your motives dramatically as you click

your way through the game.

The RUS boasts excellent accuracy, damage range, an

d mobility for a marksman rifle. The M13, Fennec, AS VAL, AK117, and

RUS currently reign supreme when it comes to raw killing speed in

COD Mobile. Master these rapid-fire weapons to get the edge on opponents in any

skirmish.
