Though it's a very well-made movie with strong characters and emotionally resonant situations, it can be very intense and frightening, especially considering that a 6-year-old boy is frequently in peril. There are nightmare sequences, knives, stabbing, and some blood and gore

The Babadook Movie Review | Common Sense Media : movie-reviews : the-babadook

This movie explores the more disturbing and realistic side of the genre, I'd say it's more haunting than said movies for sure. It's psychological horror at its finest. It actually gets under your skin, and when a movie can do that, it has done its job.
