<p></p><p>Sequels are as much a part of horror as any other ge

nre, so when Jim Vejvoda of IGN sat down 🎅 with Jennifer Kent, the ques

tion of a "Babadook" sequel inevitably came up. Specifically, Vejvoda

asked Kent if she was afraid 🎅 that the stand-alone gem would become di

minished by a "sequel factory," and if she'd have control over an

outside source 🎅 making another movie. Fortunately, Kent confirmed that

she and the producers own the rights to any sequels, so they'd have ㇳ

7; the ultimate say. On that note, she took the opportunity to shut down any sp

eculation we shouldn't expect "The 🎅 Babadook 2." As sh

e explained, "The reason for that is I will never allow any sequel to be ma

de because 🎅 it's not that kind of film."</p>

<p>It seems like Kent always knew "The Babadook" wouldn't ha

ve a sequel, and for good 🎅 reason. She went on to say, "It's

just not what the film's about. It would destroy the integrity of everything

🎅 we worked so hard to protect." That makes sense, as the film

9;s focus is specifically on the trauma of Emilia 🎅 and Samuel, a story

that's now been told. A sequel would dull the underlining meaning of the mo

vie.</p>

<p>Sometimes, a movie 🎅 with a purpose like "The Babadook&qu

ot; is fine standing on its own.</p>
