<p&gt;I thought the game and awesome! The screen effects really made the stor
y come to life. And it wasn t 🤶 boring where you just want to skip it t
hrough and move on, you really want to read it and see 🤶 what was happe
ning! But there was only one problem, which caused me to delete the app. When yo
u first open 🤶 the app, they ask for your age, one of the options is 18
and under. So I click that and 🤶 I start my first story. I really like
d it! The story was well played out and I laughed a little 🤶 too. But t
he only problem was that the
                             F word
                                      was put in there at least once in each sto
ry. 🤶 I think that is extremely disappointing that they would do that.
If you click 18 and under, I expect the 🤶 creators of the app to elimin
                      and maybe more swears, I say this because 18 and 🤶
ate all the
           F words
 under does include 10 year old, and younger as well. I do not think it is appr
opriate to add those 🤶 types of swears into the younger category. It
a bad influence on children and really dangerous when you expose them 🤶
to that kind of language. So I think that they need to fix that immediately. It
  s ruined the app experience 🤶 for me. If they update it, and eliminate
      F word
               from 18 and under category, I will gladly play 🤶 it again
